

Novartis Patient Assistance Foundation

Tafinlar Income and Out of Pocket Requirements

To be eligible for assistance from the Novartis Patient Assistance Foundation (NPAF), you must meet the income and out of pocket requirements, which vary by product and household size. **Please note, you will need to submit the first two pages of your household tax return to confirm your income.**

Income Requirement

For this product, your income cannot be greater than what is shown in the table below for your household size and residence. NPAF considers the current Federal Poverty Level Guidelines in determining the annual income limits; these limits are subject to change.

2024 Annual Income

# of Persons in Household	48 Contiguous States and U.S. Territories	Alaska	Hawaii
1	\$90,360	\$112,860	\$103,860
2	\$122,640	\$153,240	\$141,000
3	\$154,920	\$193,620	\$178,140
4	\$187,200	\$234,000	\$215,280
<i>Add this amount for each additional household member</i>	\$32,280	\$40,380	\$37,140

Out of Pocket Requirement

For this product, all patients except Medicare and Uninsured must meet the following criteria (in addition to the above):

- Out-of-pocket cost of the medication is at least 8% of patient's annual household income. (Out-of-pocket costs are determined by NPAF with your insurance company).
